BRAKE FLUID BOILING POINT TESTER

HU11010

view product

- Powered by 12V vehicle battery
- Accurate brake fluid boiling point testing (°C/°F)
- Compatible with DOT 3/4/4+/5/5.1
- No fluid selection or user adjustment needed
- Single-button operation – ideal for workshops
- Screen displays recommended boiling points for DOT 3/4/5
- Auto-safety: safe if immersion is too shallow
- Smart alerts for low/high battery or internal faults
- Removable heating element – available as a spare
- Washable with water – enables 100°C calibration check
- Quick test: max 30 seconds
- 12V system = no 220V electrical risk
